

# Local Brewery 2SP Features CRC for Charity Night

2SP, the Aston-based local micro-brewery, hosted CRC for one of its monthly charity nights in November. A portion of the proceeds from the whole afternoon and

evening were donated to CRC. A table featured CRC materials, including CRC hats for sale, and a fun time was had by members who stopped by. Happily, an axe-throwing contest was underway at the same time, providing even more festive support of CRC programs. We are very grateful to 2SP for all their support, which also includes donating beer for several Science on Taps as well as the CRC Annual Awards Dinner, Watershed Discovery Day, and Volunteer Appreciation Picnic in prior years.
