

THANK YOU
for an amazing 2024

WATERSHED-WIDE IMPACT

This year, CRC volunteers
made a **huge** impact
at **34 streams cleanup
sites, 9 outreach events,**
and **20 planting sites**

NATIVE PLANTINGS

→ 893 trees

→ 60 shrubs

→ 200+ perennials in
pollinator/rain gardens

STREAMS CLEANUP

34,000+ pounds of trash
removed from our creeks

Including tires, mattresses, televisions, and more...

OUR VOLUNTEERS

The ones who do it all

A special thank you goes to
our 1,300+ volunteers that came out in 2024

WELCOMING CRC'S NEWEST TEAM MEMBER

Danni Scott Restoration Specialist

Danni joined the CRC team this November as the lead of CRC's crucial restoration work. Danni's background at Brandywine Red Clay and as Ecology Director at Resica Falls Reservation align wonderfully with CRC's tree planting program, making Danni a natural match for our work. Make sure to say hi to Danni in the field. Welcome, Danni!
